Civil War Regimental Service Records

About this Collection

In the spring of 2007, the National Historical Publications and Records Commission awarded the Archives of Michigan a digitization grant. This grant enabled the Civil War Regimental Service Records in the Records of the Michigan Military Establishment Collection (RG 59-14) to be digitized. The records document the history of Michigan soldiers in the form of muster rolls, letters, lists of dead, monthly returns and other materials sent to the state Adjutant General during the war.

How to Use this Collection

Unlike most digitization projects, each individual item in this collection is not the access point. As in the physical reading room, patrons will read through the finding aid and select folders of interest. A link directs them to the folder where they review the documents. Currently, the portions of RG 59-14 that are digitized are the [Regimental Service Records \(Series 1.2.3\)](#) and the [Muster and Roster Records \(Series 1.3\)](#) of the Civil War.

from friends in that vicinity which informs me of their good health & that
they are comfortable which fills my heart with gratitude to God who will
I hope to see you again in all due season I hope to see you
I desire however your friends indeed & without his love I am that I can
strengthen every word action & desire of my life I would not be able to contain
my feelings while so far separated from my family & friends it is truly a great
sacrifice for me but I am satisfied it is a duty I owe my country & my God
& it is settled in my mind that I will spare my life & permit me to
live with a life but if through his divine Providence I

of days that I may find them in the eternal Day that is
to love & serve him yet I trust that there is one thing
peace of mind which if possible should be
